

PRESIDENT'S MESSAGE

I joined the Board of Chatham-Kent Crime Stoppers in January 2000. I have held the positions of Secretary, Treasurer, Rock n' Bowl Chair, Chair of Bail n' Jail and Chair of our annual Rodeo.

I have a firm belief in our program as it is one of the best in the world. Our local media, the police services and enforcement agencies, our police co-ordinator as well as members of the public all play a major role in the success of our program.

Our current board consists of thirteen members who are very dedicated individuals who offer their time in helping with fundraising activities throughout the year.

With everyone's continued support our program will continue to thrive. I am very proud and honoured to hold the position of President for such an important and necessary part of our community in fighting crime.

Angie Shreve
President
Chatham-Kent Crime Stoppers
